

Smile now. Pay smarter.

You can now get the treatment you need today and pay overtime with an Openpay Payment Plan at eligible Bupa Dental clinics.

Openpay provides flexible payment plans for all trips to the dentist from general check-ups and cleans, to major dental treatments.

You can use a payment plan to pay for the full treatment or to cover a gap payment.

These payment plans include options such as 20% deposit for amounts between \$100 and \$5,000, and repayment terms that extend from 2 months out to 24 months*

Choose to transact with Openpay (From \$100 to \$5,000*)

A plan is processed in-clinic and you pay the first instalment

Is Openpay safe & secure?

Yes, protecting your information is very important to us. Openpay is a Level 1 PCI DSS Compliant Provider. This means that all sensitive information is encrypted and we maintain stringent physical, electronic and procedural safeguards to protect your information. View the Openpay privacy policy [here](#).

Will I be charged interest?

Openpay does not charge any interest. Establishment and plan management fees may apply depending on your plan amount.

Does Openpay perform a credit check?

Depending on the purchase you are making, we may ask you for your consent to perform a credit check. In any instance, you will be asked to consent to the credit check before it happens.

Are there fees?

Establishment fees and plan management fees may be applicable - these will be disclosed to you before your plan is finalised, as they vary from merchant to merchant. If a payment is not made by its scheduled date, a late fee of \$9.50 will apply. These fees are also outlined in the email sent to you on confirmation of your purchase. We understand that there are times when you may not be able to make a payment. Please contact Openpay on 1300 168 359 before your payment date to reschedule the payment and avoid late fees.
